## YOUR ACTION REQUIRED!

### Singpass user onboarding for SACiNet users

All locally-registered CABs will now need to use Singpass to login to SACiNet 2.0, instead of Login ID and password.

➔ If you do not have Singpass, you will need to register for a Singpass account first. Please follow the instructions on <https://www.singpass.gov.sg/home/ui/support>.

Note: For **CABs without a UEN (overseas)**, users will still login with Login ID and password. More details will be sent later.

**You will not be able to login to SACiNet 2.0 until you have completed the steps below:**

### What do I need to do to set up Singpass login?

- 1 Inform your SACiNet CAB administrator and Corppass Administrator to follow the instructions in the attached excel document.
- 2 Send the completed [CAB Administrators] list to [sac@enterprisesg.gov.sg](mailto:sac@enterprisesg.gov.sg) by **29 March 2022**.
- 3 SAC will notify the CAB Administrator to begin login testing and to add their CAB users to SACiNet 2.0.
